## Synopsis Information

Enter the text of the synopsis here.

Text must be in one column, Font Times New Roman size 11 and line spacing 1.15. Align text to the left.

The quality of the papers is initially assessed based on the synopsis. To this end, the synopsis must summarize the background and goal of the paper, the main methods used and present the main results and advances that will be described in the paper. It should be about **500 words** and maximum **two pages**. A synopsis that only describes the context of the research will be rejected.

The synopsis must be in English. As a convention, UK English is used in CIGRE papers.

## File name

The file name should be as follows:

Study Committee\_Preferential Subject\_ Country\_Family name\_Title

Example: B2\_PS3\_Canada\_Van Dyke\_Example of synopsis file name
